CONTRACT

We believe that there needs to be a formal agreement between the Nursery and Parents. The contract will outline the obligations and commitment of both the Nursery and Parent(s).

This is a contract between Green Acres Preschool and Nursery (the Nursery) and the Parent(s) or Legal Guardian (the parent) of a child or children that is enrolled at the Nursery.

The Contract:-

- a) Notice Period: Due to the long-term commitment we make when reserving a child's place, we must ask you to make a similar commitment to us. We therefore require a minimum of one calendar months written notice, commencing from the first day of the month, to reduce or cancel your child's normal booking.
- b). Increasing your booking is subject to availability.
- c). Short-term contracts are available, subject to agreement and availability of places.

HOURS OF OPERATION

Monday to Friday, 7:30 to 18:00. We will be closed on all statutory holidays. We also close from Christmas Eve until the New Year.

MONTHLY FEES

Monthly Fees are at the prevailing fee schedule. The setting reserves the right to increase its fees at any time giving one calendar months notice of the proposed increase to parents/guardians. Monthly fees include all sick days and holidays taken as these are paid days. Fees are based on booked days not attendance.

Refunds and credits will not be given for days where your child does not attend due to sickness or holiday. We do allow swapping of days subject to availability and we will try to accommodate swapping of days in most cases.

GOVERNMENT FUNDING

Parents who qualify for funding will have the funded hours deducted from the invoice before the calculation of fees. Any hours not covered by funding are the parent's responsibility and are payable on the first of each month in advance.

PAYMENT POLICY

Parents agree that all monthly fees (full time and part-time attendance) will be paid on the first of each month in advance. Additional sessions will be invoiced at the end of each month and will be due for payment immediately. Extra hours are billed at the session or hourly rate.

Full time and part-time fees are based on booked days, not attendance, therefore parents are responsible for fees whether the child attends or not (This includes sick days and holidays booked).

ILLNESS POLICY

Please advise the nursery prior to 8am if a child will not be attending due to illness. Parents agree that a child who is ill (e.g. fever, infection, diarrhoea, communicable disease, or any other type of illness that may be passed onto others, with the exception of the common cold) will be kept at home to protect the well-being of the staff and other children in our care. The parents further agree, should a child become ill while in our care, that immediate arrangements will be made to remove the child from the nursery. Children will not be allowed to return to the nursery until they have been symptom free for at least 24 hours for a fever and 48 hours for sickness or diarrhoea. In some cases a note from the doctor may be necessary. By signing this contract you are agreeing to staff seeking any necessary emergency medical advice or treatment during their time at the nursery. Please refer to our sickness policy for more information about this topic.

LATE ARRIVAL/PICKUP POLICY

Please advise the nursery immediately if you will be arriving later than the pre-arranged time to pick up your child. It is the parent's responsibility to ensure the children are picked up no later than 18:00. If you are not able to pick up your child by 18:00 alternative arrangements must be made.

Please notify the nursery if an unauthorised person will be picking up your child. Verbal or written permission must be received before we will release a child to anyone who is not authorised on the registration form. They must bring photographic I.D. plus a photograph to be kept on file and a password used.

TERMINATION

The nursery reserves the right to suspend or terminate care of any child without notice should it be deemed necessary for the overall safety and well-being of staff and/or other children in its care.

CONTRACT CONTINUED

All policies, procedures and risk assessments are available to view in the Parent Handbooks, which is available on our website. You confirm that you have read these including safe guarding, complaints and mobile phone policies.

ADVERSE WEATHER OR OTHER BUILDING PROBLEMS: The Nursery will always do their best to open and offer care, if there is extreme bad weather such as snow we will do our best to open. However, from 7am we will call each parent if the Nursery will be closing.

Sun Cream: Please ensure that your child arrives to each session with sun cream already applied, however, if it is necessary for the setting to reapply, you give permission for staff to administer sun cream to your child when necessary.

Y N

EMERGENCY TREATMENT DECLARATION: In the event of an accident, emergency or extreme high or low temperature involving your child, you understand that every effort will be made to contact you immediately to request to administer medication. However, emergency services will be called as necessary and you understand that your child may be taken to hospital accompanied by the Setting Manager (or authorised deputy) for emergency treatment and that health professionals are responsible for any decisions on medical treatment in your absence.

SICKNESS: Child well-being is one of our highest priorities. Whilst in our care if your child displays signs of ill health we will try to contact you. If this develops into sickness and/or diarrhoea then you will be required to pick your child up and have 48 hours home rest after the last bout of sickness or diarrhoea.

MEDICATION: If your child is placed on short term or long term medication we require them to be off for 24 hours if they have not taken the medication before. When returning, a medication form will be required to be completed and signed at the end of each day. Please note, medication will only be given if it is prescribed by a doctor and has a doctors sticker. You give permission for non-prescription medication (e.g. Calpol, Sudaceem etc) to be administered.

Y N

PHOTOGRAPHS: (Nursery Use). As part of the on-going recording of our curriculum, and for the children's individual development records, staff regularly take photographs of the children during their play. These photographs are used for display and for your child's records within the setting. You will have access to these photographs via your log-in portal on our interactive learning diaries (Tapestry). Photos or videos of your child will be retained on our computer systems until your child leaves us.

Y N

You give permission for your child to have their picture taken and / or be videoed as part of their learning diary as per the conditions above. This may include other children and be seen by other parents.

PHOTOGRAPHS: (External Use). With your permission, we would like to use pictures of your child within training, publicity and marketing materials, including on our website/ Facebook pages.

Y N

You give permission for your child to have their picture taken and/or be videoed as part of the Nursery's training, marketing and advertising.

Parental Statement of Undertaking (PSOU)

Dear Parent/Carer,

The Free Early Education Entitlement (FEEE) allows 15 hours per week of free childcare for eligible 2 year olds and all 3 & 4 year olds, which equates to a maximum of 570 hours per year. Where you are eligible for 2 year funding or the extended 3 & 4 year entitlement, please ensure you provide your setting with the relevant reference number.

Please ensure you discuss with your chosen provider(s) about how you can access your funding before agreeing to your child attending the setting. To enable settings to be viable businesses, it is up to the childcare provider to set their free entitlement policy and how parents can access free hours. Any additional time/charges will have to be paid for at the providers published rate.

30 Hours Extended Entitlement:

Working parents may be able to access up to an additional 15 hours per week of funded childcare, a total of 1140 hours per year. If you believe you may qualify for the extended entitlement you should ensure you check your eligibility by visiting www.childcarechoices.gov.uk. If you are eligible you will receive a Department for Education Reference Number (DERN). You need to provide this along with the information below in order that your provider can validate your DERN and receive the funding.

Please fill in the details and return to your provider with a copy of your child's Birth Certificate prior to your child's start date.
